**BROKEN MAIN DISRUPTS WATER SUPPLY  
... SECTIONS OF ST. ANDREW AFFECTED**

The **National Water Commission** is advising customers in some areas of **St. Andrew** that their present disruption in water supply, is due to a broken main on **Red Hills Road**.

Areas affected include **Leas Flat, lower Belvedere, Queen Hill and Estate Homes of Forest Hills**

Restoration of regular water supply will resume as soon as repairs are completed.

The NWC regrets any inconvenience caused by this disruption in service.
