**NWC OPENS SATELLITE OFFICE IN BLACK RIVER**

In an effort to better serve its valued customers in St. Elizabeth, the National Water Commission (NWC) is pleased to announce that it has opened a satellite customer service centre in Black River.

The office, which is located at the St. Elizabeth Municipal Corporation in Black River, is equipped to facilitate customer queries. This is in addition to the main Customer Service office for the parish located at shop # 2 Supreme Plaza, St. Elizabeth.

While customers will not be able to pay bills at the Black River location, it will serve as a useful point of contact for customers in Brompton, New Town, Flagaman, Williamsfield, Watchwell, Treasure Beach, Luana Housing scheme and surrounding communities.

Persons who wish to contact the Black River office may call 715- 4174, during the hours of 8:30 am and 4:00pm.

The NWC looks forward to serving its valued customers from this new satellite office.
