NWC/Miya CONTINUES NON-REVENUE WATER REDUCTION PROGRAMME

WORKS SCHEDULED FOR DUHANEY PARK AND NEW HAVEN

The **National Water Commission** is advising that as part of its ongoing **Non-Revenue Water Reduction** programme being carried out with Co-management Partners **Miya International**, the company will be conducting systems maintenance works in **Duhaney Park and New Haven**.

These works are scheduled to be carried out on **Friday, October 6, 2017 from 10am to 5pm**.

Customers will experience a disruption in service and are being encouraged to store water for use during the times specified. Additionally, motorists are being advised to observe the traffic signals of the work crews on site.

The National Water Commission apologises for any inconvenience that these improvement works may cause.
