NWC/Miya CONTINUES NON-REVENUE WATER REDUCTION PROGRAMME WORKS SCHEDULED FOR HAVENDALE, DUHANEY PARK, CONSTANT SPRING

The **National Water Commission** is advising that as part of its ongoing **Non-Revenue Water Reduction** programme being carried out with Co-management Partners **Miya International**, the company will be conducting systems maintenance works in sections of the Corporate Area.

These works which will involve Valve and Flow Meter installations are scheduled to be carried out on:

- **Tuesday, December 5, 2017 from 10:00am to 6:00pm**

Areas to be affected: **Meadowbrook, Duhaney Park, and Patrick City**

- **Tuesday, December 5, 2017 to Wednesday, December 6, 2017 from 9:00pm to 4:00am.**

Areas to be affected: Constant Spring Road, Constant Spring Gardens, Half Way Tree, Lady Musgrave, Manor Park, Shortwood, White Hall Gardens, Eastwood Park Gardens, Hughenden, Havendale, Cross Roads Camperdown, Manning's Hill Road, Red Hills Road, Arlene Gardens, Roehampton, Calabar Mews, Zaidie Gardens, State Gardens, Molyne's Road, Washington Boulevard.

- **Thursday, December 7, 2017 from 10:00am to 8:00 pm**

Areas to be affected: **Havendale, Meadowbrook, Molyne's Road, White Hall and Red Hills Road.**

Customers will experience intermittent water supply disruptions and are being encouraged to store water for use during the times specified. Additionally, motorists are being advised to observe the traffic signals of the work crews on site.

The National Water Commission apologise for any inconvenience that these improvement works may cause.
