**FURTHER REPAIR WORK TO IMPACT HAVENMEADE FACILITY IN ST  
ANDREW**

**BELGRADE, SMOKEYVALE AND ENVIRONS TO BE AFFECTED**

The National Water Commission is advising that its teams will be undertaking further repair work at the Havenmeade system on Monday, December 6, 2021. This activity is necessary to resolve a damaged section of pipeline that will require a shutdown of the plant.

The Company is therefore urging its customers to store water for use during this period of disruption.

**Work period: 10am to 8pm on Monday, December 6, 2021**

**Areas affected: Smokey Vale, East and West Meade, Belgrade Loop, Highland Close and Vega Vale**

The NWC apologises to its valued customers for any inconvenience caused and seeks to assure them that every effort will be made to restore regular water supply in the shortest possible time.
