**JPSCo. SINGLE PHASE POWER ISSUE IMPACTING SPRING GARDENS  
RELIFT STATION IN ST. JAMES**

The National Water Commission is advising that single phase power supply issue is currently impacting operations at the Spring Garden Relift Station in St James. As a result, customers served by the facility are experiencing a disruption in their water supply.

Areas being affected include Spring Gardens, Belmont and Tower Hill.

The power supply provider has been contacted and operations will resume once the matter has been resolved.

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
