**SINGLE PHASE POWER PROBLEM DISRUPT WATER SUPPLY  
FELLOWSHIP HALL COMMUNITY IN ST. MARY AFFECTED**

The National Water Commission is reporting that single phase power supply problem has affected pumping operation at the **Fellowship Hall Pumping Station** in **St. Mary**. This has resulted in water supply disruption to customers in **Fellowship Hall**.

The matter has been reported to the power service provider and full operation will resume as soon as regular power supply is restored at the facility.

The NWC regrets any inconvenience this disruption may cause and craves the patience and understanding of its valued customers.
