MECHANICAL FAULT IMPACTING OPERATIONS AT BULSTRODE TREATMENT PLANT IN WESTMORELAND

The National Water Commission is reporting that a mechanical fault is currently impacting operations at the **Bulstrode Treatment Plant in Westmoreland**.

Customers served by this facility are experiencing a disruption in their regular water supply.

Areas affected include Grange Hill, Burnt Savannah, Tollgate, Paul Island, Little London, Broughton, Herring Piece, Glasgow, New Hope, Fullersfield and surrounding areas

NWC apologizes for any inconvenience that may be caused as its team work to have the facility restarted in the shortest possible time.
