UPDATE

BROKEN MAIN IMPACTS OPERATIONS AT PELL RIVER RELIFT STATION IN HANOVER

The National Water Commission is advising that operations at the Pell River Relift Station in Hanover are temporarily down due to a broken 6 inch main. As a result, customers served by the facility are experiencing a disruption in their water supply.

Affected areas include Harding Hall, North Hill, Pell River, Cauldwell, Prospect, Friendship.

The team is working to complete the necessary repair by Wednesday, September 28, 2022.

NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
