**POWER SUPPLY PROBLEMS DISRUPTS WATER SUPPLY
MILK RIVER AND PREDDIE WATER FACILITIES IN CLARENDON IMPACTED**

The National Water Commission is reporting that power supply problems have affected pumping operations at the **Milk River** and **Preddie Water Facilities** in **Clarendon**. This has resulted in water supply disruptions to customers served by the facilities.

The matter has been reported to the power service provider and full operation will resume as soon as regular power supply is restored at the facilities.

Areas impacted: **Bryans River, Passide, Deeside, Clifton, Gibraltar, Scotts, Preddie Housing Scheme, Gibraltar and Clifton**

The NWC regrets any inconvenience this disruption may cause and craves the patience and understanding of its valued customers.
