ELECTRICAL ISSUE IMPACTING DANTROUT FACILITY IN ST. JAMES

Water supply to customers in sections of St. James and Westmoreland is currently being impacted due to an electrical issue at the Dantrout Pump Station. The National Water Commission (NWC) is working to resolve the issue and restore full operation in the shortest time possible.

Affected areas include: *Retrieve, Dantrout, St. Lennards, Seaford Town and Marchman Road.*

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
