## Niagara Treatment Plant Out of Operation

The National Water Commission (NWC) customers, who are served by the **Niagara Treatment Plant** in **St. James** are currently without piped water. This is as a result an electrical issue at the facility.

Affected areas include:

- **Johnson** in St. James
- **Niagara, Jointwood, Elderslie and Accompong** in St. Elizabeth

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
