**BROKEN MAIN IMPACTING WATER SUPPLY TO PORUS AND  
ENVIRONS IN MANCHESTER**

The National Water Commission is advising its customers served by the Porus Booster Station in Manchester that the current disruption in their regular water supply is due to a broken 10 inch main in the Royal Flat area. Operations at the facility have been suspended to facilitate emergency repairs to the main.

Areas affected include Porus, Trinity, Red Berry, Comfort, Broadleaf, Royal Flat, Williamsfield

Repairs are expected to be completed by 7 p.m. today.

NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
