JPS SINGLE PHASE DISRUPTS WATER SUPPLY TO SECTIONS OF ST JAMES AND WESTMORELAND

The National Water Commission (NWC) is advising that, the **Endeavour Pump station** in **St James** and the **Darliston station** in **Westmoreland**, are currently being affected by JPS single phase problem. As a result, customers served by these facilities are without water supply.

The matter has been reported to the power service provider and water supply will be restored as soon as the matter is resolved.

Areas affected include

In St James

Camrose, Hampton, Hopeton, Mount Horeb, Fern, Rushea and Plum.

In Westmoreland

Darliston, Deans Valley, Water Works and sections of Roaring River

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
