**VALVE INSTALLATION TO DISRUPT WATER SUPPLY TO
FREEPORT, MONTEGO BAY**

The National Water Commission (NWC) wishes to advise that water supply to customers in Freeport, Montego Bay will be disrupted on Sunday, October 31, 2021 between 9 a.m. and 3 p.m. This is to facilitate valve installation works in the area.

The NWC regrets any inconvenience this may cause and urges customers to store water for use during the outlined period.
