**EMERGENCY LEAK REPAIR WORK TO DISRUPT
WATER SUPPLY TO SECTIONS OF MANCHESTER**

The National Water Commission (NWC) is advising that, operation at the **Porus Booster station in Manchester**, will be temporarily suspended between the hours of **6:00pm Monday December 6, 2021 to 12 midnight December 6, 2021**, to facilitate emergency leak repair work on the Porus main road.

Customers are being assured that every effort will be made to complete this necessary work within the time specified. Customers are also encouraged to store water for use during the period.

Areas to be affected include **Porus, Whitney Turn, Berry Dale, Scott Pass and St. Tooles**.

The NWC regrets any inconvenience this may cause and craves the patience and understanding of its valued customers.
