FAIRVIEW AND FREEPORT TO BE IMPACTED BY VALVE REPLACEMENT WORK

The National Water Commission (NWC) is advising customers in the **Freeport** and **Fairview** areas in **Montego Bay, St. James**, that they will be without their regular water supply on **Monday, March 18, 2024**, between the hours of **7:00p.m.** and **11:00p.m.** to facilitate maintenance repair work in the vicinity.

Every effort will be made to restore supply within the time specified and urges customers to store water for use during the period of downtime.

The NWC sincerely appreciates your patience and understanding and regrets any inconvenience this disruption may cause.
