MAJOR LEAK REPAIRS TO IMPACT WATER SUPPLY TO SECTIONS OF HANOVER

The National Water Commission (NWC) is advising customers in sections of **Hanover**, that their water supply will be temporarily suspended on **Wednesday, March 20, 2024**, between the hours of **9 a.m.** and **5 p.m.**, to facilitate necessary repairs on a major leak (10" main) in Johnson Town.

The service areas to be impacted include **Elgin Town, Johnson Town, Brissett, sections of Lucea town, Mount Peace, Clifton, Water Cress, Richmond, Blenheim, Dias, Kingsvale, Williamsfield, Houghton Court, Peddie Piece, Ginger Hill, Riverside, Woodchurch, Pell River, Greenland, and Cacoon.**

Every effort will be made to complete the repairs and restore water to the affected areas in the allotted time.

The NWC regrets any inconvenience this may cause and thanks its customers for their understanding.
