## **SCHEDULED MAINTENANCE WORK AT THE BLUEFIELDS PUMPING STATION TO AFFECT WATER SUPPLY**

The National Water Commission (NWC) is advising customers served by the **Bluefields Pumping Station** in **Westmoreland** that integral maintenance work is scheduled to take place at the facility this **Friday, March 22, 2024**, between the hours of **9:00 a.m. to 5:00 p.m.** Customers will experience disrupted water supply during this time.

Areas to be affected include **Bluefields, Belmont, Farm, Retirement, Aldere, Belvedere, Gordon, Gordon Housing Scheme, Whitehouse, Culloden and Macalpine.**

Every effort will be made to complete the works and restore water in the allotted time.

The NWC sincerely thanks its customers for their understanding and implores customers to store adequate water for use during this time.
