**NWC WORKING TO RESOLVE CHALLENGES  
TO SECTIONS OF ST. JAMES**

The National Water Commission (NWC) wishes to apologise to customers served by the **Granville** deep well in **St. James**, for the continued disruption in their water supply due to mechanical challenges at the facility.

The Agency had reported that water supply would have been restored today, July 10, 2017, however further challenges have made this unattainable. Every effort is being to resolve the challenges and restore water supply by Tuesday, July 18, 2017.

Affected areas include: ***Granville, Tucker*** and ***sections of Pitfour***.

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
