**WATER SUPPLY DISRUPTION  
.....Sections of St. Mary affected**

The National Water Commission is advising customers in **St. Mary** who are served by the **Iteboreale Plant** that the disruption they are currently experiencing is as a result of low inflows affecting water supply distribution at the Plant.

Affected areas are:

**Iteboreale, Agualta Vale, Highgate, Richmond, Tremolsworth, Clonmel, Belfield, Lewis Store, Harmony Hall, Knutsfield, Islington, Rose End, Robin's Bay, Martin, Albany, White Hall and Heywood Hall.**

Customers are being assured that the NWC team is making every effort to restore regular water supply to the affected areas in the shortest possible time.

The National Water Commission apologises for any inconvenience caused.
