## **NWC/Miya CONTINUES NON-REVENUE WATER REDUCTION PROGRAMME**

The National Water Commission is advising that as part of its ongoing Non-Revenue Water Reduction programmed being carried out with Co-management Partners Miya International, the company will be conducting system maintenance works in several sections of St Andrew.

These works are scheduled to facilitate valve installations and will result in water supply disruptions to the following areas:

**Thursday, January 11, 2018 from 8:00 pm to Friday January 12, 2018 4:00 am**

Areas to be affected: **Mannings Hill Road, Merrivale Avenue, Constant Spring Grove, Logwood Terrace, Rochester, Sullivan Avenue, Whitehall Avenue, Red Hills Road, Lawrence Avenue, Leicester Avenue, Roehampton, Havendale, Sections of Molyne's Road, Perkins Boulevard and Meadowbrook Estates**

Customers are therefore being urged to store water for use during the period specified. Additionally, motorists and pedestrians are being advised to observe the traffic signals of the work crews on site.

The National Water Commission apologizes for any inconvenience that these improvement works may cause
