**RESCHEDULED MAINTENANCE WORK FOR MILK RIVER IN CLARENDON**  
INTER-CONNECTION WORK TO COMMENCE ON SATURDAY, MARCH 3 2018

The National Water Commission is advising that the inter-connection of newly laid water mains at the Rest Water Supply facility in Milk River is now slated for **Saturday, March 3<sup>rd</sup> 2018** between the hours of **8am and 7pm**.

The Company is noting that these improvement works will require the shut-down of the plant and customers are therefore being urged to store water for use during the period of disruption.

Areas to be affected include: **Rest, Bryans River, Pass-side Road, Deeside, Clifton, Gibraltar and Scott's Gully**

The NWC wishes to apologies to its valued customers for any inconvenience that these works may cause and seeks to assure them that every effort will be made to restore regular water supply in the shortest possible time.
